To whom it may concern,

You should immediately remove the below Go Fund Me campaign:

<https://www.gofundme.com/f/jfe8pe-ron039s-legal-fund>

This campaign is fraudulent and will benefit a career criminal, a sociopath, and a convicted habitual woman abuser named Ronald David Kolenda.

The "story" about him is fraudulent, or untruthful by omission of some very important material facts.

The story and campaign are complete fraud and "false advertising" (false by omission).

The organizer of the campaign also fails to mention that the benefactor committed domestic violence against her on 4/6/2014.

The organizer FAILS TO MENTION that in those 27 years since the incident (the burglary) Ronald David Kolenda has been on a domestic violence and assault crime spree across America.

The story states:

"...When they pulled him over, they discovered that he had a 27-year-old warrant..."

But, the story DOES NOT STATE THE TRUE REASON he left the State of Florida.

He ran from the state while on probation for Grand Theft and Burglary to avoid prosecution in Pinellas County, FL for Aggravated Domestic Battery that he was charged with on 10/15/1993.

Ronald David Kolenda was a fugitive for 27 years from justice. Now he is finally caught and needs to stay in jail.

The organizer of the campaign, and his girlfriend, Krysten Voss, also purposely fails to mention that the Ronald David Kolenda committed domestic violence against her on 4/6/2014.

The story on the Go Fund me Page Says:

"... he was arrested because he looked similar to the young man who was guilty of the theft..."

OK, right, sure I believe it.

So, was he arrested on 10/15/1993 for Aggravated Domestic Battery in Pinellas County, FL because he looked similar to the man that beat his girlfriend?

Or was he arrested for Domestic Assault with a deadly weapon in Denver, CO because he looked similar to the man that beat his girlfriend and tried to stab her?

Or, was he arrested a total of at least four other times for domestic violence in four states (FL, CO, MI, WA) because he looked similar to the man that beat his girlfriend?

Or, was he arrested a total of at least two other times for assault in two states because he looked similar to the man that beat another man?

All the proof can be seen here:
